Crow Wing County 2017 Annual Financial Audit

Each year, Crow Wing County is required to produce a financial statement and have an audit performed by an independent audit firm. The audit is to verify that the county has accurately and fairly presented information in the financial statements. Since 2007, Crow Wing County has gone above and beyond this requirement by producing a Comprehensive Annual Financial Report (CAFR).

On June 13, 2018, Crow Wing County received an unmodified or "clean" opinion from Clifton Larson Allen for the 2017 CAFR. The county has submitted the CAFR to the National Government Finance Officers Association (GFOA) for a Certificate of Achievement for Excellence in Financial Reporting award. Crow Wing County is one of only sixteen counties in the State of Minnesota that have achieved this award.

For the last three years, Crow Wing County has produced a Popular Annual Financial Report (PAFR) and received an award from the GFOA. The PAFR is a report that extracts information from the CAFR that is specifically designed to be readily accessible and easily understandable by the general public. This report has again been submitted for recognition by the awards program Crow Wing County is one of four counties in the State of Minnesota that have received this award.

Both the 2017 CAFR and PAFR are available at the Crow Wing County website at www.Crowwing.us.
