Crow Wing County Website Photo Contest Winners

There are 6 winners in the Crow Wing County website photo contest. Almost 200 photos were submitted during the month long contest. The goal was to capture the best of what the area has to offer from residents and visitors who are out enjoying Crow Wing County. Winners in the contest will have their pictures featured on Crow Wing County's updated website in 2019. The focus is to update the website with a fresh look.

"We were very impressed with the number of photos that were submitted and it was hard to narrow down winners. Our residents are really proud of where they live and work and are really happy to share that excitement through photography. We're so glad we can incorporate their photos into our website to make it a true Crow Wing County collaboration." said Website Administrator, Marcus Cadena.

Photos were judged and voted on by the Crow Wing County Website Redesign committee. The overall winner in the contest is Deanne Trottier, Breezy Point.
