2017 Road Construction

Once again, road construction season has arrived in the Lakes Area. With over 55 highway miles scheduled for construction in 2017, it's never been easier to stay up-to-date on current and future road closures. Recently, Crow Wing County has developed an interactive map that can be accessed at the following web address: <http://www.crowwing.us/149/Current-Projects>. This map is also available on the **Crow Wing County Mobile Application**, which can be downloaded for free on iTunes or Google Play. By selecting symbols on the map, you can find information related to project descriptions, timelines, and contacts. Look for the following symbols:

Future Road Construction

Current Road Construction

Current Road Closure

Detailed project updates can be found on the Crow Wing County Highway Departments website at <http://www.crowwing.us/149/Current-Projects>. Should you have any questions, please contact the Crow Wing County Highway Department at 218-824-1110.
