

PRESS RELEASE

FOR IMMEDIATE RELEASE

June 7, 2018

CONSTRUCTION ON CSAH 3 TO BEGIN

The Crow Wing County Highway Department has entered into a contract with Anderson Brothers Construction for milling, bituminous surfacing, aggregate shoulders, turn lanes, culvert replacement, ADA improvements, and signal revisions on CSAH 3 from the Mississippi River Bridge in Brainerd to Crystal Lake Road in Merrifield.

Construction operations are scheduled to begin the week of June 11th with miscellaneous grading activities which include culvert replacements, ADA improvements at the intersection of CSAH 3 and Wise Road, and turn lane construction. These grading activities are expected to be completed by June 22nd. Traffic will be controlled with flaggers and portable signals. Use caution while traveling through the work zone. Due to the amount of traffic through this corridor, major delays are expected.

Mainline milling and bituminous surfacing is tentatively scheduled to begin the week of June 25th with the construction work to take place between the hours of 6 PM and 7 AM. Traffic will be controlled with flaggers and a pilot car. Weather permitting, all construction work is scheduled to be completed by the end of July.

Please visit the Crow Wing County website at <http://www.crowwing.us/index.aspx?nid=149> for further construction information.

-End-
