## **Pick A Mile Program Kicks off Second Year to Assist in County Road Cleanup**

The Crow Wing County Highway Department is starting the second year of the Pick A Mile Program. The program was first introduced in June 2021 for residents to pick a mile of county roads to assist in roadside cleanup. An easy to use app allows residents to reserve an available stretch of road to cleanup as a family, business or organization. The program also brings a sense of pride and ownership to county roads.

“We had a lot of interest in our first year and encourage others to volunteer to help keep our county roads and ditches clean. We know that our residents are passionate about pitching in. The Pick A Mile program turns community involvement into cleaner roadsides. It is also a simple and social way to ensure our roadways are clean and prevent pollution from entering our lakes and rivers.” said Highway Maintenance Supervisor Jory Danielson.

The Pick A Mile app allows resident to choose a specific two-mile section of county roads to cleanup, see what roads have already been chosen and what county roads remain available.

Residents are encouraged to pick up litter on both sides of the road at least 2 times a year for at least 2 years. Many roadside cleanup weekends are coordinated in April and October. Volunteers will be provided garbage bags, reflective vests and safety training material. Garbage bags will be picked up by the highway department and brought to the landfill free of charge. The highway department will continue to remove large, heavy or hazardous materials from county highways.

Crow Wing County has more than 600 miles of county roads. There are 550 miles of county roads and an additional 63 miles in the First Assessment District (FAD) and Second Assessment District (SAD).

More information about the Pick A Mile county road program and easy to use app is available on our website. [www.crowwing.us/PickAMile](http://www.crowwing.us/PickAMile)

Residents are encouraged to send in pictures of their groups efforts during roadside cleanup. Photos can be shared at [PickAMile@crowwing.us](mailto:PickAMile@crowwing.us). Prizes will be awarded to those that find and photograph the most unusual item during cleanup.

If you have questions about the Pick A Mile Program contact the Highway Department at 218-824-1110 or [PickAMile@crowwing.us](mailto:PickAMile@crowwing.us)
