To: Adjacent Property Owners on CSAH 13  
Re: CSAH 13 Reconstruction  
SAP 018-613-006

Dear Property Owner,

The Crow Wing County Highway Department is currently in the preliminary design process for the reconstruction of CSAH 13. The County is working closely with various local agencies to identify a sensitive design that provides safe vehicle travel, reduces impacts to properties, and balances input from the local community. The project limits will begin at CR 137 and terminate near State Highway 371. Construction of this 2.3-mile route, using state aid funding, is scheduled for the summer of 2021.

This project will seek to improve a variety of well documented challenges that are located within the existing highway corridor. This will be accomplished by using current safety design standards, best management environmental practices, addressing drainage concerns, and working cooperatively with utility companies to relocate service lines.

The purpose of this letter is to inform you of the upcoming Public Open House being held at the **Nisswa City Hall**. The date is set for **Thursday September 26<sup>th</sup>, 2019 from 6:00 PM to 8:00 PM**. There will be a short presentation at 6:30 PM, followed by public comment. Preliminary design layouts and other pertinent information relating to this project will be available for public inspection. Questions, comments, and/or feedback related to the project and/or design is encouraged. If you cannot attend and would like to discuss information regarding the project or would like to setup a private meeting, please give me a call at the number listed or e-mail me at [steve.stroschein@crowwing.us](mailto:steve.stroschein@crowwing.us).

Additionally, please check our project website for further information, schedules, and project updates at <http://crowwing.us/150/Future-Projects>. Follow Crow Wing County on Twitter or like us on Facebook to receive automated project updates.

Sincerely,

Steve Stroschein  
Senior Engineer/ Project Manager
