

## PRESS RELEASE

### FOR IMMEDIATE RELEASE

April 23, 2021

### CONSTRUCTION SCHEDULE ANNOUNCED FOR COUNTY STATE AID HIGHWAY 1

The Crow Wing County Highway Department has entered into a contract with Anderson Brothers Construction for bituminous reconditioning on County State Aid Highway (CSAH) 1 between TH 6 in Emily to the Aitkin County line.

Construction work consists of culvert replacement, spot subgrade repair work, milling of old pavement, new bituminous surfacing, and aggregate shouldering. Dependent on weather, road restrictions, and other factors, construction work is scheduled to begin on Monday, April 26. Mainline milling and paving operations are scheduled to begin the week of May 12 with all paving planned to be completed prior to Memorial Day. All construction work is expected to be completed in early June.

Traffic will be controlled with flaggers and a pilot car as needed. Expect delays and use caution while traveling through the construction zone. If necessary, there may be short road closures during culvert installations. Timing of a possible road closure has not been determined at this time. Please pay attention to signing if a road closure is necessary.
